INTRODUCTION

APEX Builders Group is a family-oriented premier construction business. Team members dedicate time to get to know one another as friends and individuals, and also spend time interacting as a family to build a strong unit. APEX leads employees' career paths and makes opportunities for every talent to grow. The goal is to foster and strengthen the passion of dedicated team members to develop strong and effective interpersonal relationships in order to be able to rely on each other for support while performing projects. APEX takes pride in being a diverse and inclusive workplace for everyone with strong advancement opportunities. APEX builds with a family mentality and welcomes all prospective employees to apply and join.

We have an opportunity to join our Mid —Atlantic team serving the Washington, DC - Maryland - Virginia area with headquarters based in Baltimore, MD as a **Carpenter**. The ideal candidate will have experience in custom residential and/or commercial construction of the highest quality scale. We are seeking a knowledgeable team player who is highly attentive to detail and respects the APEX process to complete a project. This full-time position reports directly to the Site Supervisor.

OVERVIEW

The **Carpenter** is responsible for all aspects of custom carpentry, including rough framing, setting windows, doors, & hardware, exterior trim & soffit work, interior running trim, and site-manufactured casework. This role requires having the confidence and ability to work under the direction of the Site Supervisor and with multiple APEX Team members & Subcontractor teams continuously in order to follow through on the Project expectations that is set.

Looking for a master in their artistry, who can produce quality execution with efficiency & high productivity, as well as having customer service to clients who are curious and keen on observing woodworking skill sets. Schedule flexibility, including some evenings and weekends may be required to accommodate schedules and meeting deadlines.

RESPONSIBILITIES

- Complete all work, carpentry and otherwise, as directed by the Site Supervisor.
- Complete work with the highest quality craftsmanship.
- Furnish all hand tools and small power tools as necessary to complete the job.
- Follow jobsite safety procedures and point out unsafe conditions.
- Must have reliable transportation (Company provides Fuel Reimbursement)
- Ensure jobsite procedures for cleanliness, security & protection from damage.
- Communicate clearly & effectively with Site Supervisor
- Will obligingly wear proper face coverings on duty
- Have experience and expertise in varied high-end residential or commercial construction work.

BENEFITS

APEX Builders Group recognizes that employees play an important role in its success. Our commitment to full-time employees is reflected in the comprehensive benefits package we offer:

- Competitive salary
- Leave accrual and paid holidays
- Optional Healthcare benefits
- Group Life Insurance, as well as additional optional life Insurance, short and long term disability insurance
- Flexible spending accounts for medical and dependent care reimbursement
- 401(k) Retirement Plan- Self Contributed Following 6 Months Preliminary Period
- Employee Assistance Program
- Weekly Capped Fuel Reimbursement

REQUIREMENTS

- Have a minimum of 5 years experience & expertise working on high-end residential and/or commercial construction.
- Successful candidate will have a focus on attention to detail
- Vast knowledge of residential construction including knowledge of local building codes
- Efficiently and effectively resolve project construction issues.
- Previous supervisory experience and dispute resolution skills is a plus
- Reliable transportation/vehicle and clean driving record in order to sometimes drive company vehicles
